REMARKS

Claims 8 and 11 have been combined to form new Claim 11.

Reconsideration of the rejection of the Claim remaining in this application, after amendment is respectfully requested.

The Examiner has indicated that original Claim 11 thought being objected to as being dependent upon a rejected base claim, would be allowable if rewritten in independent form, including all the limitations of the base claim and any intervening claims. The Applicants' attorney respectfully submits that new Claim 11, which combined old Claim 11 and previous Claim 8, upon which previous Claim 11 depended, meets the aforementioned criteria.

Therefore, allowance of all the claims remaining in this application is respectfully requested.
